REVERIE

WEDDING COORDINATOR

This package is ideal for the couple that has planned their own wedding, but wants to hire a professional to ensure everything they've worked so hard for goes effortlessly on their special day. Traditionally called "Day of Coordinating," this is a little misleading, as we start working 4 weeks prior to your wedding day. Hiring Reverie to coordinate your event will allow you to enjoy the moments leading up to your big day rather than stressing over every tiny little detail. Leave that stuff to us!

Here's what you can expect:

- initial consult meeting, either in person or on the phone (up to 60 minutes)
- coordination of the rehearsal (up to 2 hours)
- one on-site Coordinator for the wedding day, including setup, ceremony, reception, over seeing breakdown (up to 10 hours)
- one assistant coordinator for 6 hours (additional fees for add-ons)
- six weeks prior to the wedding, we will confirm with all vendors/venues and start to develop a wedding day timeline
- continued communication with vendors the month of the wedding
- confirmation of all details with vendors the week of the wedding
- creation of wedding day timeline (guide for wedding party/vendors)
- orientation for all vendors arriving on site
- notification of special moments for band, photographer, and other vendors
- assistance in organizing family and bridal party for photos
- distribution of final payments and gratuities for vendors
- coordination of special exit
- collection of all personal items and decor with delivery upon request
- online client portal to keep all of your information in one place
- vendor recommendations and advice throughout your planning

WEDDING PLANNER

You've said "yes", now what's next? For those who want professional assistance every step of the way, our Wedding Planner package provides support from the moment you begin planning until the last guest leaves your reception. With this option, we spend months curating and organizing your ideas through consistent communication in order to ensure your vision comes to fruition.

You get the full Wedding Coordinator package, plus:

- multiple meetings in person to discuss timeline and budget
- research/guidance of all potential vendors (once your top vendors are selected we will contact them to check availability and pricing)
- scheduled site visits with potential vendors as needed
- support developing your overall design concept
- 24/7 communication throughout the planning process
- oversight of vendor management and contract review
- production of planning checklist, master vendor list, setup list, and ceremony lineup
- customized planning calendar, including payment deadlines
- creation of venue floorplan
- two additional hours (8 total) from assistant coordinator on wedding day

All planning documents and contracts will be maintained and organized both online (in a shared Google folder) and in a physical binder. After the wedding, the binder is yours to have as a keepsake for everything that went into your special day!
